8. The Thrift Shop will accept up to 10 items for consignment per consignor per appointment.

This would be on a one-time basis and the individual must call to book this type of appointment. Appointment must take place within 90 days of ETS/PCS date listed on consignor's orders.
9. The consignor shall set the selling price of merchandise consigned; however, the Thrift Shop is authorized to reject any article which is priced too high or otherwise deemed unacceptable by the Consignment Clerk. The lowest price for consignment is \$5.00. Items are to be priced in \$1.00 increments.
10. The Thrift Shop retains a 50% commission of the selling price on all items sold.
11. Equivalent time is added to the consignor's contract in the event the Thrift Shop is closed for three consecutive operational days.
12. At the end of the consignment period (30 days), all items will become Thrift Shop property if not sold or removed. If the 30th day falls on a day the store is normally closed, and you wish to remove your items, they will need to be removed by the end of the following open day.

Checks and Consignment Contracts

15. Any amount due to a consignor under \$5.00 will be held over for one month and be added to the next month's check. If it still would not come to at least \$5.00, it will then revert to the Thrift Shop profits to go back to the community via the Fort Meade Spouses' Club.
16. If a check must be reissued, the consignor will be responsible for the stop payment fee (\$30.00) unless the original check is returned to the Thrift Shop. The fee will be deducted from the consignor's profits. If the check is less than the stop payment fee, no check will be reissued.
17. When moving, the consignor is responsible for providing an updated mailing address to the Consignment Clerk to facilitate payment of articles left on consignment.

Preparing Items for Consignment

18. Large appliances & furniture may only be consigned with prior approval from the Consignment Clerk.
19. Clothing, drapes, etc. must be laundered or dry cleaned when brought to the Thrift Shop. All items must be free of tears, stains, and heavy wear/staining.

If you are selling something with multiple pieces (e.g., a 3-piece suit) each piece must be labeled. Additionally, under item number list 1 of 3, 2 of 3, 3 of 3. The label must use the following format:

Date mm/dd/yy	Account #
